General Conditions

Section I: Purpose

- 1.0 The City of Charlotte (“City”) and the Local Initiatives Support Corporation (“LISC”) are now accepting Proposals for affordable housing development through the City’s Housing Trust Fund (“HTF”) and LISC’s Charlotte Housing Opportunity Investment Fund (“CHOIF”), to provide equity and loan funds for newly constructed or rehabilitated multi-family housing. An addendum will be issued, should additional resources become available during this application period (e.g.: Project Based Housing Vouchers).

The HTF is capitalized with voter approved tax-exempt general obligation bond proceeds and other available City financing resources, while the CHOIF is funded with corporate, philanthropic, and private investments. Both HTF and CHOIF funding must be used to finance housing for households earning up to 80% and 120% of the Area Median Income (“AMI”) respectively. Development projects financed with HTF and CHOIF funding are required to record long-term deed restrictions to maintain affordability.

For this round of funding, affordable housing development funds will be provided as gap financing eligible affordable rental housing development projects.

For Housing Trust Fund (“HTF”) Request for Proposals the development projects must serve households earning up to or below 80% of the area median income (AMI) with income averaging of 60% of AMI for the entire development. For Charlotte Housing Opportunity Investment Fund (“CHOIF”) Request for Proposals projects should serve households earning between 30% and 120% of AMI.

The program guidelines set forth in this document pertain solely to HTF financing. CHOIF guidelines are separate, and can be found in the HTF/CHOIF request for funding packet.

Section II: Instruction to Applicants

- 2.0 **Introduction:** Careful attention must be paid to all requested items contained in the Request for Proposals packet. Development Teams are required to submit Proposals in accordance with the requirements of the RFP documents. The entire set of documents contained in the Request for Proposals packet constitutes the Request for Proposals. The Developer must submit all information necessary to properly analyze the Request for Proposals. The City will only accept complete Proposal packets for review. Incomplete packets will not be considered.
- 2.1 **Additional Funding Sources:** In addition to HTF and CHOIF funds, local financial institutions have committed millions of dollars in below market rate debt for projects utilizing the 4% LIHTC in conjunction with tax-exempt bond executions. LISC will provide interest-free subordinate capital to developers to help facilitate the permanent financing of these housing projects. Projects seeking funding for this capital should follow the guidelines of the RFP and should submit soft letters of interest, commitment letters, and/or other evidence of supplementary debt/equity financing through the RFP application (<https://charlottenc.gov/HNS/Housing/RFP/Pages/Requests%20For%20Proposals.aspx>).
- 2.2 **Each Developer Shall:** Comply with all federal, state, and local ordinances and statutes governing residential housing development.
- 2.3 **Request for Proposals Review and Submission:** Request for Proposals will be accepted in accordance to the instructions detailed in the Housing Trust Fund/Charlotte Housing Opportunity Investment Fund Request for Proposals Submittal Checklist. Developers shall be responsible for the actual submission of Proposals.
- 2.4 **City's Rights and Reservations:**
The City reserves the right, at the City's sole discretion, to take any action affecting this RFP, this RFP process, or the activity subject to this RFP that would be in the best interests of the City, including:
- 2.3.1 To supplement, amend, substitute, or otherwise modify this RFP, including the schedule, or to cancel this RFP, at any time;
 - 2.3.2 To require any Developers to supplement or clarify its Proposal or provide additional information relating to its Proposals;
 - 2.3.3 To investigate the qualifications, experience, capabilities, and financial standing of each Developer submitting a Proposal;
 - 2.3.4 To reject any or all Proposals;
 - 2.3.5 To share the Proposals with City employees in addition to the Evaluation Committee as deemed necessary by the City;

- 2.3.6 To award all, none, or any part of the requested gap financing to one or more of the responding Developers deemed by the City to be in the best interest of the City, which may be done with or without re-solicitation;
 - 2.3.7 To discuss and negotiate with any Developer their Proposal terms and conditions, including but not limited to financial terms; and
 - 2.3.8 To terminate discussions and negotiations with any Developer at any time and for any reason.
- 2.5 **Expense of Submittal Preparation:** The City is not responsible for any cost incurred by a developer in the preparation of their Proposal packet. Developers will have no actionable claims for reimbursement of any costs or expenses incurred in participating in this solicitation process.
- 2.6 **Request for Proposals Changes/Modifications:** Developers may change or withdraw their Proposals at any time prior to the Request for Proposals submission deadline; however, no oral modifications will be allowed. Only formal written requests for modifications or corrections of a previously submitted Proposals will be accepted by the City and the Local Initiatives Support Corporation (LISC) prior to the scheduled submission deadline for receipt of Proposals.
- 2.7 **Clarification of Submittal:** The City/LISC reserves the right to obtain clarification of any point in a Developer's Proposals packet or to request and obtain additional information.
- 2.8 **Confidential or Proprietary Information:** Responses, in whole or in part, are NOT to be marked confidential or proprietary. City may refuse to consider any responses or part thereof so marked. Responses submitted to this RFP may be subject to public disclosure. City shall not be liable in any way for disclosure of any such records.
- 2.9 **Developer Questions and Inquiries:** The City/LISC is committed to providing all developers responding to the Request for Proposals with accurate and consistent information to ensure that no Developer obtains an undue competitive advantage. All questions and inquiries must be directed as indicated below:

- 2.10 **Use of Name:** The City/LISC is not engaged in research for advertising, sales promotion, or other purposes. No advertising, sales promotion or other public City/LISC materials containing information obtained from this Request for Proposal are to be mentioned, or imply the name of the City/LISC, without prior express written permission.
- 2.11 **Bribery and Lobby Clause:** By submission of a Proposal, the Developer certifies that neither it, any of its affiliates or subcontractors, nor any employees of any of the foregoing has bribed or lobbied, or attempted to bribe, or lobby an officer or employee of the City/LISC.
- 2.12 **Agreement with Successful Developer:** All statements contained in a Proposal or made in writing during negotiation by the Developer shall constitute offers by the Developer for inclusion in the final agreement. The City/LISC may accept or reject such offers within a reasonable time after they are made.
- 2.13 **Proposals Evaluation:** Proposals will be evaluated based on the evaluation criteria found in the Request for Proposals packet documents, including, but not limited to:

HTF-funded developments will at a minimum meet the following criteria*:

- Comply with City affordable housing policies and program guidelines.
- Include at least 20% of the total units as being targeted to households at 30% of AMI. A priority waitlist must be maintained for an additional 10% of the units and should target households at 30% of AMI with rental subsidies or vouchers.
- Meet the City Council approved Affordable Housing Location Guidelines which replaced the Housing Locational Policy.
- Meet zoning and planning guidelines and requirements including special/conditional use permits and any other discretionary land use approval at the time the funding request is submitted.
- Meet Charlotte Water Capacity and Connection requirements.

****Please see the Housing Trust Fund Request for Proposals Guidelines for additional evaluation criteria***

CHOIF-funded developments will at a minimum meet the following criteria:

- Demonstrated ability to repay investor principal and coupon through excess cash distribution over term.
- Demonstrated high quality units for all income levels (30%-120% AMI).
- Agree to income averaging in 4% LIHTC projects.
- Accept housing vouchers with no discrimination against income source.
- Geographic criteria-proposed projects should be located in areas of high opportunity. High opportunity areas are census tracts identified by the Opportunity Insights research team as those that promote family economic mobility. High opportunity areas are characterized by: low poverty, low crime rate, access to high performing schools, access to transportation, access to employment opportunities and other factors that promote good quality of life. We will also consider the City's Affordable Housing Locational Guidelines and the Housing Authority's Opportunity Areas when siting developments.

HTF award limits:

- The maximum award to any one funding request will be as follows:

Funding Source	No City land or CHOIF	HTF & CHOIF	City Land
HTF Limit	<ul style="list-style-type: none"> • \$30k per unit • Maximum of \$3M 	<ul style="list-style-type: none"> • \$20k per unit • Maximum of \$2M 	<ul style="list-style-type: none"> • \$20k per unit • Maximum of \$2M
CHOIF Limit	<ul style="list-style-type: none"> • \$0 	Projects will be reviewed individually along the investment parameters.	

Development Teams must also:

- Inform the City Council representative within which whose district the proposed development will be located, and convene at least one neighborhood meeting to present the proposed development (See Submittal Checklist for details).
- Submit a complete funding Proposal packet by May 15, 2019.
- Upon request, submit a utilities plan or preliminary site plan with proposed sewer connection(s) and site flow projects using NCDEQ 15A NCAC 02T (Waste Water Flow Estimate Guidance Document). This is necessary for the Charlotte Water Capacity Assurance Review Proposal.
- Upon request schedule a Sketch Plan meeting with the Planning Department as required.
- Provide evidence of appropriate zoning no later than June 19, 2019.
- If assistance is being sought for a 4% LIHTC development, it is preferred that developers have placed at least one 4% LIHTC development in service within the last five years.

- 2.14 **Award of Funding by City Council:** As soon as practicable after the review of the Proposals are received, the apparent successful Developer(s) will be submitted to the City Council for final approval of an award. If approved by the City Council, the Housing & Neighborhood Services Department and LISC will provide properly prepared agreement documents to the Developer.
- 2.15 **Request for Proposals Deliverables:** All Developers must submit the information required in the Housing Trust Fund/Charlotte Housing Opportunity Investment Fund Proposal Submittal Checklist.
- 2.16 **Familiarity with Laws and Ordinances:** The Developer will follow all applicable federal, state and/or local laws regarding employment practices. Such laws will include, but shall not be limited to workers' compensation, the Fair Labor Standards Act (FLSA), the Americans with Disabilities Act (ADA), the Family and Medical Leave Act (FMLA) and all Occupational Safety and Health Administration (OSHA) regulations governing residential development.

If the Developer discovers any provision in the Request for Proposals or supporting documents which are contrary to or inconsistent with any law, ordinance or regulation,

they shall immediately report it in writing to the Housing & Neighborhood Services Department's Housing Services Manager.

- 2.17 **Fair Housing Compliance:** The City is committed to ensuring the protection of fair housing rights for all residents of Charlotte. This includes prohibition of discrimination in housing practices due to race, sex, religion, national origin, color, disability status and familial status (having custody of children 18 years of age and younger). As a condition of entering into an Agreement with the City, the Developer agrees to not violate the Charlotte Fair Housing Ordinance. Specific questions regarding compliance with the Charlotte Fair Housing Ordinance may be directed to the Charlotte-Mecklenburg Community Relations Committee for clarification.
- 2.18 **Taxes:** The Developer shall be responsible for any applicable Federal, State and Local taxes, which may be chargeable against the performance of the work agreed to.
- 2.19 **Non-Discrimination Provision:** The City is committed to promoting equal opportunities for all and to eliminating prohibited discrimination in all forms. For purposes of this section, prohibited discrimination means discrimination in the solicitation, selection, and/or treatment of any subcontractor, vendor, supplier or commercial customer based on race, ethnicity, gender, age, religion, national origin, disability or other unlawful form of discrimination. Without limiting the foregoing, prohibited discrimination also includes retaliating against any person, business or other entity for reporting any incident of prohibited discrimination. It is understood and agreed that not only is prohibited discrimination improper for legal and moral reasons, prohibited discrimination is also an anti-competitive practice that tends to increase the cost of goods and services to the City and others.

As a condition of entering into an Agreement, the Developer must represent, warrant and agree that it does not and will not engage in or condone prohibited discrimination. Without limiting any rights, the City may have at law or under any other provision of an Agreement, it is understood and agreed that a violation of this provision constitutes grounds for the City to terminate its Agreement with the Developer.

As a condition of entering into an Agreement, the Developer further agrees to: (a) promptly provide to the City all information and documentation that may be requested by the City from time to time regarding the solicitation and selection of subcontractors; and (b) provide to the City within 60 days after completion of performance under an Agreement a Final Payment Affidavit in the form that will be attached to an Agreement as an Exhibit. Failure to maintain or failure to provide such information would constitute grounds for the City to terminate or withhold payment under an Agreement.

- 2.20 **Independent Contractor Status:** The Developer and the City agree that the Developer is an independent contractor and not an employee or agent of the City. The Developer shall have exclusive control of and the exclusive right to control the details of the services and work performed and all persons performing the same and nothing herein shall be construed as

creating a partnership, agency, joint venture or other similar relationship between the City and Contractor.

The Developer agrees that it will not represent to anyone that its relationship with the City is other than that of an independent contractor, and the City and the Developer may so inform any parties with whom they deal and may take any other responsible steps to carry out the intent of this section. The Developer shall be fully and solely responsible for its own acts and omissions and those of its employees, officers, agents and subcontractors.

2.21 **Drug-Free Workplace:** The City of Charlotte is a drug-free workplace employer. The City has adopted a policy requiring its contractors to provide a drug-free workplace during the performance of any Citycontract. To be eligible for funding under the HTF, a prospective Developer must certify that it will, if awarded funding, provide a drug-free workplace during the term of the funding agreement. This requirement is met by:

- (a) Notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken for violations of such prohibition;
- (b) Establishing a drug-free awareness program to inform employees about (i) the dangers of drug abuse in the workplace, (ii) the contractor's policy of maintaining a drug-free workplace, (iii) any available drug counseling, rehabilitation, and employee assistance programs, and (iv) the penalties that may be imposed upon employees for drug abuse violations;
- (c) Notifying each employee that as a condition of employment, the employee will (i) abide by the terms of the prohibition outlined in (a) above, and (ii) notify the contractor of any criminal drug statute conviction for a violation occurring in the workplace not later than five days after such conviction;
- (d) Imposing a sanction on, or requiring the satisfactory participation in a drug counseling, rehabilitation or abuse program by, and employee convicted of drug crime;
- (e) Making a good faith effort to continue to maintain a drug-free workplace for employees; and
- (f) Requiring any party to which it subcontracts any portion of the work under the contract to comply with the provisions of (a) - (f). If the prospective Developer is an individual, the drug-free workplace requirement is met by not engaging in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the performance of the contract.

2.22 **NC E-Verify Requirement:** A prospective Developer must certify that it will, if awarded funding (i) comply with the E-Verify requirements set forth in Article 2 of Chapter 64 of the

North Carolina General Statutes (the “E-Verify Requirements”); and (ii) cause each subcontractor under this Contract to comply with such E-Verify Requirements as well. The Developer will indemnify and hold harmless the City from all losses, damages, costs, expenses (including reasonable attorneys’ fees), obligations, duties, fines, penalties, interest charges and other liabilities (including settlement amounts) incurred on account of any failure by Developer or any subcontractor to comply with the E-Verify Requirements.

2.23 NC Prohibition on Contracts with Developers That Invest in Iran or Boycott Israel.

Developer certifies that: (i) it is not identified on the Final Divestment List or any other list of prohibited investments created by the NC State Treasurer pursuant to N.C.G.S. 147-86.58 (collectively, the “Treasurer’s IDA List”); (ii) it has not been designated by the NC State Treasurer pursuant to N.C.G.S. 147-86.81 as a Developer engaged in the boycott of Israel (such designation being referred to as the “Treasurer’s IB List”); and (iii) it will not take any action causing it to appear on the Treasurer’s IDA List or the Treasurer’s IB List during the term of this Contract. In signing this Contract Developer further agrees, as an independent obligation, separate and apart from this Contract, to reimburse the City for any and all damages, costs and attorneys’ fees incurred by the City in connection with any claim that this Contract or any part thereof is void due to Developer appearing on the treasurer’s IDA List or the Treasurer’s IB List at any time before or during the term of this Contract.

2.24 City of Charlotte Business INclusion Program (CBI): The Charlotte Business INclusion program promotes diversity, inclusion, and local business opportunities in the City’s contracting and procurement process for Minority, Women, and Small Business Enterprises (MWSBEs) headquartered in the Charlotte Combined Statistical Area (CSA).

The City of Charlotte is committed to promoting opportunities for maximum participation of certified MWSBEs on City funded contracts at both the Prime and Subcontract level. For MWSBE participation to count towards a Goal, MWSBEs must meet both the certification and geographic requirements as defined in the CBI Policy.

2.25 Housing Trust Fund MWSBE Requirements:

Through the HTF, the City provides assistance through making financial resources available in the form of low-interest loans and grants to preserve existing housing and develop new affordable housing. Because HTF investments are viewed as significant opportunities for public investment, a prospective Developer, if awarded funding, is subject to MWSBE requirements to ensure that the City continues its commitment to enhance opportunities for MWSBEs to participate in contracts with a public interest.

The Developer must demonstrate the belief that there are many benefits when doing business with MWSBEs by purchasing professional and construction-related services, labor, supplies and materials from MWSBEs. The Developer understands that they can participate in strengthening the economic foundation of our local communities by working with the Charlotte Business INclusion (CBI) Program.

The Developer, if awarded funding, agrees to develop goals with the City such as:

- Upon award, meet with City representatives to establish subcontracting goals based upon opportunity of defined scopes and availability of MWSBEs.
- To meet at least the minimum diversity goals established by the City, by striving to achieve the designated MWSBE goal based on the HTF funding amount.
- To be recognized by outside entities as a Developer that is both accommodating to the MWSBEs and fair in the administration of its programs.
- To achieve diversity within its MWSBE participation by including the various minority groups that makes up our community.

2.26 Definitions:

- *Minority Business Enterprise (MBE)*: Refers to a Business Enterprise that: (a) is certified by the State of North Carolina as a Historically Underutilized Business (HUB) within the meaning of N.C. Gen. Stat. 143-128.4; (b) is at least fifty-one percent (51%) owned by one or more persons who are members of one of the following groups: African American or Black, Hispanic, Asian, Native American or American Indian; and (c) is headquartered in the Charlotte Combined Statistical Area.
- *Small Business Enterprise (SBE)*: Refers to a Business Enterprise that is certified by the City of Charlotte under Part E of the CBI Policy as meeting all of the requirements for SBE certification
- *Women Business Enterprise (WBE)*: Refers to a Business Enterprise that: (a) is certified by the State of North Carolina as a Historically Underutilized Business (HUB) within the meaning of N.C. Gen. Stat. 143-128.4; (b) is at least fifty-one percent (51%) owned by one or more persons who are female; and (c) is headquartered in the Charlotte Combined Statistical Area.
- *Charlotte Combined Statistical Area (CSA)*: Refers to the Charlotte-Gastonia- Salisbury Combined Statistical Area in effect as of April 8, 2013 consisting of; (a) the North Carolina counties of Anson, Cabarrus, Cleveland, Gaston, Iredell, Lincoln, Mecklenburg, Rowan, Stanly, and Union; and (b) the South Carolina counties of Chester, Lancaster, and York. This is one criteria used by Charlotte Business INclusion to determine eligibility to participate in the program.
- *MWSBE*: Refers to SBEs, MBEs and WBEs as a collective. In some context it means all SBEs, MBEs, and WBEs, and in other contexts it means one or more categories of SBEs, MBEs, or WBEs.
- *MWSBE Goal*: The term MWSBE Goal depends on the context. If a Contract has separate Subcontracting Goals, MBEs, WBEs, and/or SBEs, the term MWSBE is a shorthand way to refer collectively to all MBE, WBE, and SBE Goals set for the Contract. In some instances, the City may set one combined goal for MBEs, WBEs, and/or SBEs on a Contract, in which event the term MWSBE Goal refers to that one, combined goal. In the latter instance, calculated as a percentage, the MBE, SBE and

WBE Goal represents the total dollars spent with MBEs, SBEs and WBEs as a portion of the total Bid or Proposal amount, including any contingency.

- Proposal: Refers to the proposal submitted by a Developer for the Services as outlined in this RFP.
- *Subcontracting Goals*: Refers to the SBE, MBE, WBE, and MWSBE Goals established by the City for a Contract.

SECTION I: GOALS AND GENERAL REQUIREMENTS

The City of Charlotte (“City”) is committed to improving Charlotte’s neighborhoods and the lives of the people who live in them. One method of improving neighborhoods and the lives of families is that of making sure safe, decent and affordable housing is available for low and moderate-income households. The City provides assistance by making financial resources available to affordable housing developers in the form of low interest loans and grants to develop new rental housing and to preserve existing affordable housing units.

A. Goals:

The City’s Housing Policy embraces the following national goals established by the United States Department of Housing and Urban Development, and aligns with the City Council priorities as set forth in the Charlotte Housing Framework which supports the creation and preservation of safe and decent housing for low and moderate-income households:

- Provide decent and affordable housing,
- Provide a suitable living environment, and
- Expand economic opportunities to benefit low and moderate-income households.

The City’s Housing Policy also reflects the Housing Charlotte Framework. The Housing Charlotte Framework was approved by City Council on August 27, 2018 and is based upon three core considerations:

- Increase capacity to serve low-income residents with focus on households earning below 60 percent of area median income,
- Serving residents vulnerable to housing displacement, and
- Using housing to build and expand access to opportunity.

The City provides loans and grants to further its mission of expanding and preserving the supply of quality affordable housing and supporting family self-sufficiency.

B. General Requirements:

The City’s Housing Trust Fund (“HTF”) is one of its funding sources for affordable housing. The HTF provides funding for the development of new construction affordable rental and rehabilitated housing. Such housing is provided primarily for low and moderate-income households. The HTF seeks to leverage the State’s Low-Income Housing Tax Credit program which targets households earning 80% and below the Area Median Income (“AMI”). The City considers the following when evaluating Proposals for affordable housing development loans and grants:

- Public purpose (but for the City investment, the project would not be feasible for the targeted income group),
- Ability of the proposed development to help achieve the City’s affordable housing policies and goals,
- Financial feasibility,
- Developer’s capability and experience,

- Site location,
- Number of affordable housing units and targeting of incomes,
- Long-term affordability,
- Community impact and support, and
- Completeness of Proposal (incomplete Proposals will not be considered).

To ensure City-financed affordable housing developments adhere to the City's affordable housing goals, each affordable housing development project must:

- Maintain the affordability of units using long-term deed restrictions. The minimum length of the affordability period will be evaluated and determined based on the City's financing per unit,
- Ensure that the affordable units within a mixed income development will be equal in square footage and comparable to the market rate units, and
- Comply with the City's zoning, land development and other housing policies and regulations.

Eligible rehabilitation development projects include activities that are major in scope including but not limited to: structural, mechanical and electrical repairs, roof, windows, doors and work required when it has been determined that the useful life is five years or less and projects where rehabilitation is needed to make the units habitable. Repairs such as painting, replacing floor covering, and trim work are only eligible when they are part of a larger scope of rehabilitation.

The following criteria are applicable to Proposals for rehabilitation:

- Housing units must have been placed in service on or before December 31, 2003,
- Require rehabilitation expense more than \$25,000 per unit,
- Acquisition cost may not exceed 60% of the total replacement costs,
- Property owner must not have begun or completed a full debt restructuring under the Market to Market process (or any similar HUD program) within last five years,
- Property should not have deteriorated to the point of requiring demolition, and
- The City reserves the right to adjust its loan/grant policies and guidelines as needed to address changing market demands and the priorities of the City.

C. Types of development projects:

The City will support new construction and rehabilitation of rental units of the following types (includes the associated costs for on-site infrastructure and acquisition):

- Multi-Family Construction/Rehabilitation
- Supportive Housing (Special Needs Housing i.e. elderly, disabled)

D. Community Outreach Process:

Developers must inform Council, the district representative, and convene a minimum of one neighborhood meeting to address questions about the proposed development. The City believes that multiple community engagement opportunities and focused marketing provides

the best outcome for information and inclusion for the general public. Proposals must include an Outreach and Marketing Plan. Developers are required to notify all residential property owners within ½ mile of the site, and any nearby neighborhood organizations from the City's Neighborhood Organization Contact List (charlottenc.gov/nocl). Meeting notices must be sent at least one week prior to scheduled meetings, and be held no earlier than 6:00 pm. Developers must document any concerns raised at the meeting, and describe their plans to address these. Developers must provide evidence that all required community outreach criteria have been met, as set forth in the Housing Trust Fund/Charlotte Housing Opportunity Investment Fund Proposal Submittal Checklist.

SECTION II: LOAN/GRANT ELIGIBILITY CRITERIA

A. Eligible Developers

The City's affordable housing funding programs are designed to provide financial assistance to non-profit and for-profit affordable housing development entities.

B. Income Group Targets

City-financed affordable housing programs serve both rental and homeownership households for households earning 80% and below the area median income. Rental housing developments serving a mixture of incomes will be given priority.

SECTION III: FUNDING GENERAL CONDITIONS

A. Funding Amount

Funding amounts may vary based on the following:

- Number of housing units being developed;
- Leverage ratio of the project; and
- Available City housing development funds.

The City will also consider the needs of the project, the experience of the developer and any associated risk in the project. The City reserves the right to adjust the maximum funding amount to any borrower on a case-by-case basis.

The source of funds may impose additional restrictions on the borrower.

B. Interest Rates, Financing Terms and Repayment Structure

The following are *general guidelines* and the City reserves the right to adjust the terms of funding on a case-by-case basis based on changes in conventional lending and other financing sources.

The City's funding is generally in the form of soft "gap" financing. To allow for future investment in affordable and workforce housing, the City seeks to achieve a reasonable return of capital and where possible a return on investment based on the financing features of each Proposal. The City allows flexibility for creativity by development teams by establishing funding terms based on the financial structure of each development project.

Funding in the form of loans may range from 20-years non-amortizing, deferred at 0% interest, to 20-year, amortizing loans at the Long Term Applicable Federal Rate (AFR) based on a financial analysis of the development project. A key tool used to perform the financial analysis is the Debt Coverage Ratio (DCR). Projects with a DCR greater than or equal to 1.25 will be considered for a fully amortizing loan with a corresponding rate that either achieves a DCR of 1.15 or the maximum Long-Term AFR. Other DCR features are as such:

- Projects that have a DCR of less than 1.25 will be considered for interest only loans. The interest rate will be set at a percentage rate that will achieve a DCR of 1.15.
- Projects that are submitted at a DCR of 1.15 will be considered for a deferred cash flow contingent loan.
- Grants are considered when a project serves a substantially underserved population.
- A project with a DCR greater than 2.0, after the Proposal of a fully amortizing loan at the Long Term AFR will be considered over subsidized. The Proposal will be reduced to achieve a DCR of 1.75. This may result in the Proposal being reduced to zero. Projects of this nature are candidates for private financing.

C. Collateral

The City prefers to take or share a first lien position on assets financed with its loan proceeds. The City will accept a second or third lien position (subject to the amount of the loan funds financed by the City) in its sole discretion.

SECTION IV: Funding Underwriting Criteria

The following minimum financial underwriting criterion applies to all projects.

A. Rental Housing Development

Proposals are considered on a competitive basis. City staff will analyze Proposals based upon the following:

Project Feasibility

- *Revenue Stability and Reliability* – May include project-based assistance, below-market rent (e.g. tax credit multi-family projects).
- *Operating and Financial Risk* – As indicated by the debt service coverage and break-even occupancy. The City seeks projects with a desirable debt service coverage ratio of *at least 1:15 for the term of any debt financing*. In addition, the City seeks projects with a desirable break-even occupancy that is lower than 85%.

Debt Service Coverage	Break-Even Occupancy	Risk
Greater than 1.30	Less than 70%	Low
1.10 to 1.30	70% to 85%	Medium
Less than 1.10	Greater than 85%	High

The City may consider project submissions outside of the operating and financial risk guidelines as stated above. Consideration however will be given based on the number of affordable and workforce units, income limit served, projects ability to meet the City's goals and the overall viability of the project. A debt service coverage ratio as low as 1.10 will be considered for projects with at least 20% of the units serving households earning 40% and below AMI. A fixed interest rate is encouraged for other project debts; however, a maximum interest rate must be applied for variable rates.

- *Sound Property Management* – Ensures a successful multi-family project. A strong track record for the property manager includes; low collection loss, low vacancy rate compared to similar projects, operating within budget, development and implementation of an effective maintenance program, and establishment of operating policies and procedures. The property manager should have familiarity with the various funding sources for affordable housing development and rental subsidies. Additionally, the City has established the following property management guidelines:

Assisted multi-family housing developments over 25 units must have an on-site office and provide management personnel as outlined below:

<u>Size of Development</u>	<u>Minimum Requirements</u>
25 - 50 units	20 hours per week
51 - 75 units	30 - 40 hours per week
76 - 100 units	40 hours per week with on-site Resident employee or 80 hours per week

- *Project Reserves* – Project and/or replacement reserves funded from the development budget or deducted monthly from cash flow are indicators of the sustainability of the project. The City has the following guidelines regarding replacement reserves:

○ New Construction	Minimum-\$250 per unit (per year)
○ Rehabilitation	Minimum \$350 per unit (per year)

The replacement reserves must be capitalized from the project's operations. An annual increase of 4% is preferred.

- *Market and other External Factors* – A market feasibility analysis report is required as part of the submission. The market analysis at a minimum should include:
 - *Location and Neighborhood Information* (project description, neighborhood characteristics, shopping, school, etc.);
 - *Socio-Economic and Demographic Development* (economic context, growth trends, demographic and income characteristics),
 - *Competitive Analysis* (housing stock for the area, rental and for-sale markets, proposed developments). The report should also detail findings and a conclusion and address project feasibility, an analysis of affordability, and the demand and

estimated absorption. Market studies prepared by the North Carolina Housing Finance Agency that meet City requirements will be accepted.

- *Repayment Plan* – must be demonstrated by project proforma, cash flow statements, and development budget and project timeline.
- *Loan Underwriting Minimum Standards* – based on current market conditions:
 - Vacancy rate – 7%
 - Annual rent increase – 2%
 - Annual operating expense and replacement reserve annual increase – 3%
 - Operating expenses (*new construction*) – \$3,600 to \$4,000 per unit per year, not including taxes, reserves and residential support services.
 - Operating expenses (*rehabilitation*) – \$3,800 to \$4,200 per unit per year, not including taxes, reserves and residential support services.
- *Rent-Up Reserves* – Should not be less than \$300 per unit. These funds should be available to the management agent to pay rent-up expenses incurred more than budgeted rent-up expenses in the project development costs. The funds are to be deposited in a separate bank account and evidence of such transaction provided to the City 90 days prior to the date the project is expected to be placed in service. All funds remaining in the rent-up reserve at the time the project reaches 93% occupancy must be transferred to the project operating reserve account.
- *Operating Reserves* – Will be based on six months (four months for tax-exempt bond projects) debt service and operating expenses, and must be maintained for one full calendar year starting at the point that the 1:15 debt service coverage ratio is achieved (or as low as 1:10 for projects in which at least 20% of the units serve households earning 40% and below AMI). The City must approve any withdrawals from the operating reserves account to meet the project's operating deficits that exceed \$5,000 in aggregate during any three-month period. Withdrawals from the operating reserve account must be replaced to maintain the initial required funds as reflected in the City's loan agreement.
- *Developer Fees* – can be loaned to a project to cover a gap. Repayment projections for loans must not negatively impact the operations of the project. If applicable, a resolution from the Board of Directors allowing such a loan to the project must be provided.
- *Project Contingency Funding* – new construction projects should have a hard cost contingency line item of at least 5% of the total hard costs (including general requirements, builder profit and overhead). Rehabilitation projects should have a hard cost contingency line item of at least 10% of the total hard costs.
- *Architects Fees* – The architect's fees, including design and inspection fees, shall be limited to three percent (3%) of the total hard costs plus general requirements, overhead, profit and construction contingency.

B. For Multi-Family Housing Developments

1. Proposed Collateral

The ratio of the First Mortgage loan amount to the appraised value (LTV) – including the lien position and soft costs – is used as a guideline for risk rating as noted below:

LTV	Risk
Less than 70%	Low
70% to 85%	Medium
Greater than 85%	High

2. Development Team Qualifications

The Development Team must demonstrate that the project can be developed within the proposed market, evidenced by the Development Team's:

- Track record, including whether the team has successfully completed and/or operated a similar type project or a project of similar scope and size.
- Composition - An experienced development team improves the likelihood of a successful project. Development team members could include, but not be limited to, developer, project manager, engineer, architect, property manager, development consultant, land planner, accountant, attorney and marketing agent. The experience and capacity of the development team should be consistent with the size of the development.
- Credit report/history and performance history with the City of Charlotte. If the borrower has outstanding projects with the City of Charlotte, a detailed list of projects and their status should be provided.
- Financial statements prepared by an accountant for the current year and audited statements for the previous year.
- Operating Reserves – sufficient financial capacity to provide stability for the organization in the event of unanticipated adverse developments.
- Management Capacity/Experience including the following:
 - Experienced key personnel (an experienced staff improves the likelihood of a successful project).
 - Management structure and decision-making.
 - Board of Director – project risk is reduced when the borrower's Board is actively involved and able to understand and contribute to the project's successful development and operation. Expertise in related professional disciplines such as real estate, business, law, urban planning, and architecture are considered valuable.
 - Property management experience – number of units managed; years of

- experience; and the number of affordable units managed. (Addresses and site contact persons should be provided to allow for site visits.)
- Diversity inclusion efforts and successes in the last five (5) years.

SECTION V: LOAN/GRANT CLOSING PROCEDURES

A. Financing Commitment Letter

Upon final loan/grant approval, the City of Charlotte will prepare a written loan/grant commitment. The funding commitment letter will specify the following as applicable:

- Interest rate of the loan (if applicable)
- Frequency of payments
- Amount of each payment
- Term to maturity and amortization schedule
- Collateral to be secured (and lien position)
- Total loan amount
- Use of loan proceeds
- Insurance requirements
- Reporting requirements
- Period of affordability
- Special conditions (project schedule)
- Expiration date of the loan commitment
- Projected draw schedule
- Construction start date
- Required reserves, (project, rent-up and operating reserves)

The Development Team must countersign the commitment letter to affirm agreement with the terms and conditions offered. The commitment letter must be executed and received by the City within 60 days of the date of the commitment letter. Once the commitment is signed the City will prepare for loan closing. The funding commitment expires as specified within the commitment letter.

B. Requests for Extensions

The loan commitment expiration date may be extended in the City's sole discretion with a formal written request. Extension request letters must be submitted to City Staff within thirty (30) days of the commitment letter expiration date. The letter should include the reason for the extension and a revised project schedule. Subject to approval, a six-month extension may be granted.

C. Loan Documents

Upon receipt of a signed commitment letter from the borrower, the City's legal counsel will prepare the loan documents, which may include the following for loans that will be secured by real property:

- Loan agreement
- Deed of Trust
- A Promissory Note
- Security agreement
- UCC-1 financing requirement

It is the expectation of the City that the financial projections (proformas) submitted by the Developer to the City will not be materially different from the proforma submitted to other funding sources. Should this occur, the City reserves the right to deem the action as a default. In the event of default, the City reserves the right to adjust the financing based on the changes in the proforma or cancel its funding commitment for the project. The City also reserves the right to request funding Proposals from the other funding sources. City funds are not available for closing.

SECTION VI: REPORTING AND MONITORING

A. Reporting

The Developer is required by the loan/grant agreement to submit, at the City's discretion, quarterly and/or annual reports in a format determined by the City. The Developer must provide the following during the term of the loan/grant:

- Copies of all certificate of occupancy and final cost certification
- Payment if stipulated in the loan agreement;
- Copy of the annual audit conducted by an independent audit firm within 120 days of the end of its fiscal year end;
- Insurance certificate in which the City is the named insured;
- Any material change in governance or management;
- Any other debt or borrowing, for this project or any project;
- Any change or loss in property and casualty insurance; and
- Any pending legal action and their assessment of the impact of such action.

B. Monitoring

The City will provide inspections of developments in its loan/grant portfolio during the period of affordability. The review will include, but not be limited to, the following:

- Verification of compliance with the loan/grant conditions;
- Review (inspection) of property secured by the loan/grant (including photographs);
- Evaluation of tenants' files to ensure compliance. The review will include income, leases, rents, units, etc.; and

- Review of borrower's audited financial statements and the financial performance of the project.

To verify compliance with property standards and the information submitted on tenants' incomes, rents and other rental requirements during the project's period of affordability, the City will conduct on-site inspections based on the number of funded units.

The inspection schedule is as follows:

Number of City Funded Units Per Project	Inspection Required
1 – 25	Every 2 Years
26 or more units	Annually

The Developer should keep the following records:

- Documentation to back-up rent and utility allowance calculations.
- Tenant files that include documentation necessary to demonstrate that an income-eligible tenant properly occupies each City funded unit.
- Documentation that includes the tenant's Proposal, initial income verification documents, subsequent income recertification documents and the tenant's lease.

C. Periods of Affordability

For homeownership and rental developments, the affordability period depends on the amount of City investment in the property and the nature of the funded activity. Developments exceeding the affordability standards will be given additional consideration. The table below provides the minimum affordability periods.

Activity	Average Per Unit Investment	Minimum Affordability Period
Rehabilitation or Acquisition of Existing Housing	<\$15,000	20 years
	\$15,000 - \$40,000	20 years
	> \$40,000	20 years
Refinance of Rehabilitation Project	Any dollar amount	20 years
New Construction or Acquisition of New Housing	Any dollar amount	20 years
